

**2023 Sponsorship Opportunities**

Fashion and Hope is a fashion forward event initially created in 2016, as a fundraiser for Make-A-Wish® Foundation, Central & Northern Florida Chapter.

The charity fashion show unites Orlando based boutiques with local make up and hair stylists showcasing their seasonal collections. Local models and celebrities, from on air news anchors to radio emcees, walk the runway for this fun night. This year, funds from this event will be going towards The Faine House as well as Hope for More Foundation's year-long grant initiative.

# ABOUT THE FAINE HOUSE

For over a decade, The Faine House has operated from a 7,000-square-foot facility in the Pine Hills community of Orlando, Florida. Hosting 10 private bedroom suites for 18 to 23-year-olds who are in desperate need of access to safety, stability, opportunity & mentorship. Each young adult sets their own financial, occupational, and educational goals and participates in a curriculum designed to heal and empower them to independence.

Without the support, modeling and mentorship provided by a program such as The Faine House, these individuals face a lifetime of dependency – welfare, jail, addiction, homelessness, abuse.

# ABOUT THE HOPE FOR MORE FOUNDATION

The Hope for More Foundation's mission is to identify and fund outstanding nonprofits in our community to further their efforts in outreach, advocacy and fundraising.

The Hope for More Foundation seeks to achieve their mission by working with organizations that:

- Improve health and quality of life of sick, ailing or disabled children
- Improve access to education and resources for advocates and survivors of Domestic Violence
- Benefit and support Veterans and their families
- Stabilize, support and provide opportunities for underprivileged children

A photograph of a modern Bentley dealership building with large glass windows and a dark grey upper section. The Bentley winged 'B' logo and the word 'BENTLEY' are visible on the building's facade. The sky is blue with scattered white clouds. A semi-transparent white box with rounded corners is overlaid on the left side of the image, containing event information.
